DETAILED ACTION

Response to Amendment

This Office Action is in response to Amendment filed on 11/16/05.

Claims 1-4, 6, 24-25, 29, 33-35, 48, 112, 124, 149-152, 156-159 have been amended.

Claims 162-164 have been added.

Remark of Applicants has been considered. Applicant's argument based on amended claims was found persuasive. Examiner agreed with applicant that Tuckerman doesn't disclose the recessed edge is non-beveled and Akram discloses the recessed edge formed on the interposer instead of the die as cited the present application's claims. Therefore, examiner withdraws the previous rejection.

Claims 1-14, 24-31, 33-38, 47-50, 52, 112-119, 124-127, 137-139, 141, 144, 146, 149-164 are pending.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 11/22/05 was filed after the mailing date of the application. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Reason for allowance

Claims 1-14, 24-31, 33-38, 47-50, 52, 112-119, 124-127, 137-139, 141, 144, 146, 149-164 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed limitations having at least two dies situated on a substrate, a first die situated on the first surface of the substrate, a second die comprising a first surface, a second surface, and a perimeter, the first surface having bond pads located thereon, the second surface situated on the first surface of the first die and comprising a non-beveled recessed edge portion along the perimeter of the die and other limitations cited in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
